

Dear JSN Admissions Directors:

Online registration is now open for our upcoming cohort gathering! We are hoping to see all of you in Baltimore April 9-12.

You can find the two-step registration process on our [event landing page](#), which will be updated regularly. Registration will remain open through early March, yet we encourage you to register as soon as possible. Again, admissions staff members are also welcome to attend.

To Do List:

1. Check out the Agenda in the [Communications & Materials](#) tab on the event landing page. Please note that the agenda/schedule includes deep dive break-out group discussions -- facilitators are needed for these sessions.
2. [Register for the event](#). And as part of registration, admissions directors should please list at least one session that they would most feel comfortable facilitating. Your role would be to keep the conversation flowing (you are NOT being asked to give a presentation). *Note: admissions staff members are invited to facilitate, yet are not expected to; if some slots remain open there will be additional follow-up from the JSN Conference Office.*
3. Be sure to [reserve your hotel room](#) in step two of the registration process.
4. Feel free to join/log in to our [JSN online community](#) and get conversations started in the discussions area.
