About the Session

A conversation on the realities educators are facing in balancing the post-pandemic demands of meeting students where they are in 2023 while embracing the traditional values of a college preparatory Jesuit education at the Secondary & Pre-Secondary levels.

Academic Rigor in Jesuit Education is the second annual Ignatian Inquiry After School Virtual Symposium for the Jesuit Schools Network and every Ignatian educator from our member schools is invited to join. The content and conversation are important, timely, and relevant to educators and leaders in *all* roles in our schools, and in all contexts and settings.

The two-hour virtual session will be held Monday, April 17, 2023 from 3-5 p.m. ET | 2-4 p.m. CT | 1-3 p.m. MT | Noon-2 p.m. PT via Zoom. The Symposium will be recorded and shared via various JSN platforms as well. Interested participants should register via the button below.
