

# CHEMISTRY / STEM TEACHER

---

## **Job Description:**

Loyola School is a Jesuit, Catholic, independent, coeducational, college preparatory secondary school located in New York City, with a student enrollment of approximately 220 young men and women. Founded in 1900 with the unique combination of the strengths of both the Jesuit and American Independent School traditions, Loyola is the only Jesuit coeducational high school in the New York City / Tri-State area. The educational program at Loyola aims to form young men and women of competence, conscience, and compassion. Loyola School challenges its students across all dimensions of their education at a spiritual, intellectual, physical, and socio-emotional level. It is an education of the head, heart, and hands.

## **Position Summary:**

Loyola seeks a full time teacher of Chemistry and STEM for the academic year beginning September 2021. Teachers at Loyola hold students accountable to high levels of academic excellence in a rigorous college preparatory program, and this should be reflected in their own professional standards and commitment. Some experience in Jesuit/Catholic education is preferred, and a commitment to the mission of Jesuit education is required.

In the tradition of *cura personalis* (care for each individual across each of their dimensions), Loyola's teachers are also expected to participate and be engaged in the life of the school outside the classroom; an ability and desire to contribute to the co-curricular and spiritual life of the school is required.

## **Equal Employment Opportunities:**

It is the school's policy to provide equal employment opportunities to all applicants for employment, consistent with federal, state and local laws. Accordingly, all applicants for employment are to be treated without regard to race, color, religion, sex, age, national origin or citizenship status, qualified handicap, sexual orientation, marital or veteran's status or inconsequential handicaps. This policy pertains to every aspect of an individual's relationship with the School.

## **How to Apply:**

**Interested candidates should submit a cover letter and resume electronically as soon as possible, but no later than April 9, 2021 to [employment@loyolanyc.org](mailto:employment@loyolanyc.org). Please include the words **Science Teacher** in the subject line.**

## **MINIMUM EDUCATION REQUIRED:**

4-year degree

A Master's degree in the area of Chemistry or Secondary Education is preferred.
