About Cristo Rey Jesuit High School

Cristo Rey Jesuit (CRJ) Milwaukee is part of the growing national Cristo Rey Network (CRN) of 39 high schools that feature a unique integration of college-prep academics, professional experience, and spiritual formation with a focus on students of limited financial means. At CRJ's \$33 million campus, just across the Menomonee Valley from Marquette University in the heart of Clarke Square, Cristo Rey serves a diverse student body of approximately 450 young men and women and 350 alumni. Students attend class four days per week and work in a professional setting one day per week through our innovative Corporate Work Study Program (CWSP). It is the collective mission of our staff to provide our students with a Jesuit education that ensures they gain admission to - and ultimately graduate from - college. In pursuit of that goal, Cristo Rey staff collaborate, reflect, and practice to maximize their impact each day.
