EDUCATING BOYS • TRANSFORMING LIVES

GRADUATE SUPPORT COORDINATOR

Would you like to be a part of a team that makes a difference in a young man's life?

Saint Ignatius Loyola Academy seeks a mission-focused, innovative Assistant to join its long-established Graduate Support Program with 29 years of success supplying supporting school and college students.

School and Results

Saint Ignatius Loyola Academy is an independent, tuition-free Jesuit middle school for boys from underserved communities. The children we serve lack access to high-quality schools and support programs that can change their life trajectories. Through our innovative educational program, the Academy offers a path of hope and resolve to young men in Baltimore City. The educational experiences and opportunities are explicitly designed to address urban boys' needs by developing each student's intellectual, physical, and social qualities, leading to their success in high school, college, and adult lives. Our results speak to that future. Over the school's 29-year history, 98% of graduates have received a high school diploma. Eighty-eight percent of graduates immediately enroll in college or other post-secondary education surpassing Maryland and national rates. The Academy is a private institution with a very public purpose.

Founded in 1993 and located in Baltimore's Federal Hill neighborhood, Saint Ignatius Loyola Academy is an extended day and eleven-month school year program for 118 fifth through eighth-grade students representing 23 zip codes across Baltimore. Saint Ignatius Loyola Academy graduates attend exemplary public and private high schools, both day and boarding, in Baltimore and throughout the Mid-Atlantic and New England regions. In addition, our Graduate Support Program provides counseling and advising support to over 200 graduates currently attending outstanding regional and national high schools and colleges. The Academy is an independent Catholic Jesuit school accredited by the Association of Independent Maryland and DC Schools (AIMS) and sponsored by the USA East Jesuit Province. Grounded in that educational tradition, the Academy's faculty and staff educate deserving young men to be intellectually competent, open to growth, loving, religious, and committed to doing justice.
