

JOB POSTING

Computer Science Faculty

ABOUT US

For more than 100 years, Rockhurst High School has been a place where boys become young men, with minds, bodies and souls prepared for the challenges of college and life beyond. Rockhurst challenges students with a rigorous academic program in the classical Jesuit tradition. We offer great benefits and competitive wages.

PURPOSE

We are seeking a career-minded individual to teach Computer Science, starting in August of 2024. The ideal candidate will be a certified teacher with enough graduate hours in subject area to teach dual credit and AP courses. The ideal candidate also should have a demonstrated ability to teach in a college preparatory environment. The teacher will work in a structured and collaborative environment with other faculty members who are committed to the formation of each student according to the principles of the Grad at Grad: Open to Growth, Intellectually Competent, Religious, Committed to Doing Justice, and Loving.

PRIMARY RESPONSIBILITIES

- Plan and teach five sections of Computer Science, including Introduction to Computer Science, Object Oriented Programming, AP Computer Science Principles, and AP Computer Science A
- Collaborate with department and school colleagues in the ongoing curriculum design and review process
- Communicate regularly with students, parents, school counselors, and administrators about student progress
- Participate actively in the school's co-curricular and spiritual activities
- All other duties as assigned

REQUIREMENTS

- Bachelor's degree in Computer Science or related field (Master's preferred), with enough graduate hours in subject area to teach dual credit courses
- Previous Computer Science teaching experience
- Clear understanding of and commitment to Rockhurst High School's mission
- Student-focused approach to learning, which includes a desire to build positive relationships that are characterized by mutual respect and trust
- Strong understanding of current educational theory and practice
- Ability to incorporate a range of instructional approaches, including discussion-based, project-based, and inquiry-based approaches
- Experience with a range of educational technologies

HOW TO APPLY:

Please send resume to Mike Wickenhauser, Assistant Principal for Academics, at hr@rockhursths.edu.

Rockhurst High School is an Equal Opportunity Employer.
