

### **Position Description**

Title: **Math Teacher (grades 9<sup>th</sup> to 12<sup>th</sup>)**

Status: 10 Month, Full-Time

Department: Math

Availability: August 16, 2021

Compensation: Competitive

### **Organization Description:**

Our students come from all walks of life and so do Loyola Blakefield's teachers and staff. We hire great people from a wide variety of backgrounds, not just because it is the right thing to do, but because it makes our school community stronger. There would be a loss of fidelity to our way of proceeding without a diverse teaching staff that allows our students, regardless of race, color, religion, gender, sexual orientation, national origin, genetics, or disability to see themselves in who we hire and value. As an equal opportunity employer, we stay true to our mission by ensuring, at our school we build a community of connection and belonging where everyone can become who they are meant to be.

Loyola Blakefield is a Catholic independent school for boys in grades 6 – 12. Loyola is inspired by the principles of St. Ignatius Loyola and the Society of Jesus. The ideal candidate must support Loyola Blakefield's mission of building young men who are Religious, Loving, Academically Competent, Open to Growth, Committed to Diversity, and Committed to Working for a Just World.

### **Job Description:**

Our Math Department is seeking a teacher who exhibits a commitment to creating a developmentally appropriate, rigorous learning experience for students of all levels of mathematics. Our High School Mathematics curriculum is a college preparatory program with classes offered at grade level, honors level, and Advanced Placement.

### **Duties and Responsibilities:**

- Teach a full course load; 5 classes and proctoring
- Proctor math study hall 1 period per day
- Participate in co-curricular, service, and retreat opportunities with students
- Collaborate and communicate effectively with students, parents, colleagues, and administrators
- Other duties as assigned

### **The Ideal Candidate Will Possess:**

- A bachelor's degree or higher in mathematics, engineering, or education and three years of successful teaching at the middle school or high school level.
- Experience teaching all levels of math from Algebra I through Calculus and a pedagogical practice that encourages critical and reflective thinking.
- A clear understanding of and commitment to Loyola Blakefield's mission of graduating young men who are Religious, Loving, Intellectually Ambitious, Open to Growth, Committed to Diversity, and Committed to Working for a Just World.
- A positive, creative, solution-oriented temperament

**Application Process:**

Qualified applicants should submit their resume with a brief cover letter including references to <https://www.loyolablakefield.org/about/employment>
